WHY CHOOSE GARMEN

Lowest Price Guaranteed, Quality Never Compromised

Why WE?

We are dedicated to precise delivery, exceeding customer expectations, and integrating sustainability, a people-centric approach, a resolute commitment to safety, and forward-thinking processes. Centro transcends fashion; it's a journey defined by ethics, excellence, and global impact.

OUR TEAM

Meet The Expert

EXECUTION

SHIPMENT TERMS : FOB, CIF

LEAD TIME : 60 DAYS TO 120 DAYS

PAYMENT TERMS : LC at sight , TT

NSourcebd is one of the largest garment suppliers in Bangladesh started its journey in 2014. We work with our customers to provide a range of services including access to our manufacturing facilities with factories, design teams, merchandising, product development, quality control, on-time shipment, and compliance services.

we providing professional guidance in out-sourcing of ready-made garment production in the most competitive markets.

Our activity is highly motivated by our passion for fast fashion and our willingness to meet our client's requirements. Our strengths are flexibility, diversity and innovation. Most importantly we recognize and give our full commitment to our customer's compliance.

To ensure customer satisfaction, we work on a key account basis, so individual customer demands are understood, and followed from the time of developing samples until the ready-made garment is loaded into the container for shipment.

Making Every Fabric Count

Our Vision

To Inspire people through creativity & joy. By delivering compelling & memorable designs with sustainability.

Our Mission

To be the most reliable sourcing brand for precise delivery of personalized - creative designs of fashion and commodity merchandize.

Organic Textiles

FOR A BETTER FUTURE

We're an eco-friendly company certified by Control Union certifications with GOTS and Organic Content Standard (Organic 100 and Organic Blended) and able to produce a wide range of organic cotton, bamboo and Tencel clothing. We located in Aegean, one of the best regions in the world in high quality organic cotton production.

We have more than 30 people equipped with a large network of manufacturing and in-house testing facilities with a high standard of fitting CAD room to ensure the highest standards of quality. Our competitive edge lies within the trust we have established over the years with world-leading brands, through our flexible approach, great pricing plans and catering for all orders equally, large or small.
